

Say hello to EDDiE™

Meet SunPower's dynamic sales and design engine that makes it easy to curate a beautiful buying experience for home solar shoppers.

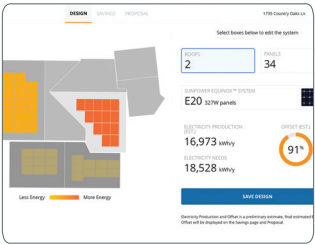

What is the EDDiE™ sales experience?

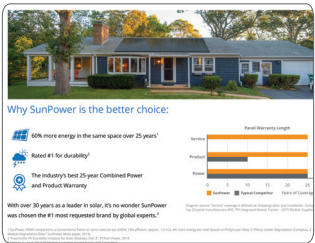

Request accurate home solar designs

Request and quickly receive construction-ready, accuracy-guaranteed designs straight from SunPower, or build your own using 3D-based shading models.

Make real-time design configurations

Dynamically customize your solar design and watch energy savings update in real-time. Do this before a sales appointment or live with homeowners! Now everyone can be a solar designer.

Create beautiful digital proposals

Seamlessly generate a beautiful digital proposal with a single click. Create a new proposal in minutes should homeowners' design preferences change. Now available for cash, lease, and loan.

Offer sales experience on mobile app

Get cloud-based access to SunPower's full suite of marketing collateral right at your fingertips. Customize each sales experience prior to an appointment, or even on the fly.
